“ *May you find much comfort and strength during this difficult time. What's comforting to my family when we lose a loved one is the hope of the resurrection. Jesus said, "I am the resurrection and the life. "He that exercises faith in me, even though he dies; will come to life." John 11,25. While he was here on the earth; Jesus bought many people back to life, including his friend Lazarus, and a 12-year old girl. The scriptures say that when their daughter opened her eyes; the parents were besides themselves with great joy." One day in the near future, Jesus will bring many back to life, because his father, Jehovah has given him all authority, and the power to resurrect the dead. John 5:26-29. May you find comfort in knowing that one day Mathew will open his eyes again, and we can be reunited with our loved ones at that time. So please read the scriptures for comfort and strength, and may your precious memories help you to cope.##imported-begin##R Johnson##imported-end##*
