“ I wish to express my deepest sympathy to the Conway family. According to God's inspired words at Psalms 90:10 "In the themselves the days of our years are seventy years; and if because of special mightiness they are eighty years." Mr Conway live beyond eighty years. No doubt he lived a good and prosperous life. By means of God's Kingdom the words at Job 33:25 will soon be a reality, "Let his flesh become fresher than in youth; Let him return to the days of his youthful vigor."###imported-begin###K.D. “ I'd like to extend my sympathy to your family on the death of your loved one. I am so sorry. Even though he lived a long life, it was God's purpose for people to live forever. Soon that purpose will be realized. People will be resurrected not back to this violent world, but to a peaceful new world. Psalm 37:10,11 says that the meek ones will possess the earth, and they will indeed find their exquisite delight in the abundance of peace. Also Acts 24:15 lets us know that there will be a resurrection of the righteous as well as the unrighteous". One day you can be with with with your loved one again. I pray that God will give you the comfort you need at this time. ##imported-begin## R Johnson ##imported-end##
