“ *Hello! Hawkin's ! May I send my fellow feeling to you all . When we lose a dear loved one in death it breaks the circle of life for us.Ms.Mattie was almost 85 years young. The bible say at Ps.90:10, some person will live to be 70 and other will live to be 80 because of speical mightiness. What would life be like IF or when we will be able to live forever? Our hearts will be over joyed with Happiness. I am looking forward to that time coming. Imagine the happiness that will result when dead loved ones are resurrected. May all the great memories of Ms.Mattie support your lives to the doing of our great creator of all things .Sincerely, Lillian Crosby.##imported-begin##Lillian Crosby##imported-end##*
