

Mattie M. Wright

October 15, 1922 - November 9, 2002

Mattie M. Wright was born on October 15, 1922 in Millen, Georgia to the late Rebecca and Rice Clark. In the early hours on November 9, 2002 Mattie was called for her final reward. Mattie received her education in Jacksonville, Florida. Upon her completion she started her working career in various fields of employment. Aunt Mattie, as she was known to many of us, received Christ early in her life. Aunt Mattie left Georgia in her teenage years to pursue other interests. Upon leaving she met and married the late Allen Wright with whom she spent many happy years until his death. Aunt Mattie loved life and her family; she treated people the way she wanted to be treated with honesty, respect and decency. One thing is certain about Aunt Mattie if she made a promise she would keep it. In her later years and with declining health, she retired from the working world and traveled up and down the East Coast. She leaves to cherish her memory: one loving and devoted sister, Mrs. Viola McGriff; one brother-in-law, Mr. Snell McGriff; ten nieces and nephews, Col. George Benjamin, Carolyn Clark, Mrs. Patricia Morris, James Clark, Mrs. Deborah Diallo, David Clark, Diane Gibson, Nathaniel Gibson, Arby Gibson and Willie Gibson; twenty-seven great-nieces and nephews; thirteen great-grandnieces and great grandnephews; and a host of other relatives and friends.
