“ To my extended Berryman family. I will always remember that smile uncle Maurice had. Whenever he saw me I noticed that smile right before I was greeted with a great hug. He treated me as a niece and I treated him as my uncle. I will forever remember his smile. His legacy lives on through his beautiful daughters, brother, and remaining family.

Love you all!!

“ I remember seeing a picture of Maurice, it may have been his prom picture, and then seeing Marvin Gaye on TV. I thought my cousin was on TV! Lol

I will miss his laughter, the phone calls during track practice to let me know Morgan State has a game going on, and our conversations while watching football games.

“ Tecola and Family- My prayers and thoughts are with you. " God of love and mercy, embrace all those whose hearts today overflow with grief, unanswered questions and such a sense of loss. Grant them space to express their tears. Hold them closing in the coming days"

“ We cannot tell you how saddened we were to learn of the passing of our Nephew, Maurice. But then, it is never easy when a loved one is taken away, especially a family member. Considering the current situation with the virus and our personal health concerns, which place us in the highest risk category for contraction, we have decided that the prudent thing for us is to not attend the services for Maurice, but will take advantage of the Zoom broadcast. This was not an easy decision to reach knowing how important it is for family to be together in times such as this. We know that each of you share our sadness and Maurice will live on in our hearts. We may not be there in person, but will be there in spirit. Know that each of you will be in our thoughts and prayers. May God’s gentle love surround and uplift you, filling your hearts with His consoling peace. Love, Uncle Lawrence & Aunt Elaine.

“ Those we love must someday pass beyond our present sight...
Must leave ya and the world we know without their radiant light.
But we know that like a candle their lovely light will surely shine to brighten up another place more perfect... more divine.
And in the realm of Heaven where they shine so warm and bright.
Our loved ones live forevermore in God’s eternal light.
My deepest condolences!!!!
