“ Please accept my condolences to you and your family during this time of bereavement. Death is never something that we get used to because we were not designed to die. Our loving God Jehovah created our first parents to live forever. Through their sin death was passed down to us. However, Jehovah gives us a future hope for our dead loved ones through his promises recorded in the Bible at John 5:28, “all those in the memorial tombs will hear his voice and come out”. He further explains what He will do with death at Isaiah 25:8, “He will actually swallow up death forever”. What a wonderful and loving God we have to be able to see our loved ones again and NEVER have to deal with death again! May you find comfort in the scriptures and prayer.
