

McKinley Richardson, Jr.

July 23, 1965 - April 29, 2025

McKINLEY (MACK) RICHARDSON JR. was born on July 23, 1965, in Baltimore, MD. He left this life on April 29, 2025. He was preceded in death by his parents McKinley Richardson Sr. and Lovina Lowery and stepdad William (Bill) Lowery.

McKinley (Mack) was educated in the Catholic School Systems and went on to get his Diploma and certifications from All-State Career Institute in Building Renovations in May 1995. After which he started his own business obtaining contracts with companies like Remax and HUD to name a few. After falling ill he switched jobs and started working with his “lil’ shadow” as he like to call him, his cousin Reggie, who he loved and had a special connection with from birth.

McKinley (Mack) enjoyed gambling and going to the casinos. He liked to go fishing, He and Reg would go on fishing trips to the Gulf of Mexico yearly. Mostly he loved reminiscing about “The Good Old Days” when we were “Young.” We had “Good Times.” Mack loved almost everybody and they loved him. He always had a smile on his face. He had special relationships with a few of his cousin, his “road dogs” as he called them and they were Milton (Tiny), Philip, Johnny (Man), Steven, Nickey and of course Reg. The one he loved most

of all his Mama Lovina, who he liked taking to shows and playing cards with. The card parties were a “family affair”.

McKinley (Mack) was his mother’s only child, but he had a large family, lots of brothers and sisters on his father’s side. He had a special aunt on his stepfather’s

side “Aunt Dee” and cousin Corrine, a special stepsister Perrette, a stepbrother.

And a whole host of other cousins, family and friends. He also had a whole other

family from the “Dialysis Center” where he was a “Patient Representative”, who

loved and cared for him one being “Big Momma”. He leaves them all behind to grieve in their own way “but not too long” he would say because life is short and he “lived a long life considering he was on dialysis for 30 years” he would always tell me that
