

## Mekhi James-Anthony Hill

February 9, 2002 - November 17, 2002

Mekhi James-Anthony Hill beloved and precious son of son of Pamela Oliver Hill and Tavon James Hill, Sr., was born on February 9, 2002 at Union Memorial Hospital in Baltimore. He spent his delicate life here on earth at Johns Hopkins and Sinai Hospitals. The Lord saw fit that he was able to come home with his parents for ten days. Oh! What an awesome God! Mekhi was a twin, Tavon James Hill; Jr. preceded him in death on December 12, 2001. They are both together with the angels. On Sunday, November 17, 2002, God cradled his child in His loving arms and took Mekhi home to rest. Mekhi was baptized on February 20, 2002 at the Johns Hopkins Hospital. With His loving spirit, he touched the lives of all that knew him. Mekhi's love and smiles spreaded like a beautiful summer day. He was a very feisty little boy and a true fighter until the end. He taught us to live each day of our lives to the fullness and no matter what the circumstances may be, always stay strong! Mekhi leaves to cherish and mourn his spirit and memory; his devoted parents, Pamela and Tavon Hill, Sr., one grandfather, John R. Oliver, Sr., of Blackstone, VA; one grandmother, Viola Linton of Baltimore, MD; two great grandmothers, Ellen Hawkes of Blackstone, VA; Shirley King of Baltimore, MD; five great-grandparents, Inez Linton, John and Mae Cantey, and Cornelius and Diane King; two aunts, Balinda Oliver and Keisha Linton; one uncle, John Oliver, Jr.; his only first cousin, Malik Oliver, and a great host of uncles, aunts, cousins and friends.

“ *Healing happens slowly over weeks and months and years and even then, there will be days when memories call fresh tears. A song, a scent, or photograph keeps your heart in touch; with all that you so treasured in the one you miss so much. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##*
