

Melonie J. Joyner

August 18, 1984 - October 23, 2021

Melonie Jean Joyner was born August 18, 1984, to Gene "Beany" Parks and Stuart "Stu" Brown in New York, NY. As a child Melonie loved reading and playing dress up. She was always very intelligent and excelled in all subjects, especially English. Melonie also enjoyed the arts, in which she became a skilled violin player by the young age of 14. While Melonie was a student at Thurgood Marshall Academy for Learning and Social Change in Manhattan, NY, she also worked at the YMCA. After graduating from the academy at age 17, Melonie relocated from New York to Maryland where she began her college career.

Melonie attended Morgan State University in Baltimore, Maryland where she earned her Bachelor of Science in Business Administration. Anyone who knew Melonie knew that she was a kind, loving, beautiful and caring. Melonie could light up a room without even saying a word. With such a positive energy and pleasant demeanor, she gained numerous friends while attending MSU. Melonie enjoyed traveling and trying new restaurants. With an eye for the finer things in life, Melonie always kept abreast of designer trends and style.

In Baltimore, Melonie was a proud member of "FWO" For Women Only. Inc Baltimore., an Adult Women's Organization, Geared to the Empowerment of Women where she contributed to Many Acts of Service in the Community! Empowerment Sessions! Clothing, Toy & Food Drives! Whatever she could

do, she did! She could be found with her girls participating in many of the children's ministry events and activities at Liberty Christian.

Melonie worked for Social Security Administration as an Information Technology Specialist. Here she met Terrick "TC" Allen. Melonie and TC began dating in 2010. Over their 12+ years together Melonie gave birth to four beautiful girls: Taniya, Tania, Taylin and Tylah. Melonie and TC had an unbreakable bond and their strength as a unit could be felt throughout their home.

Melonie's life was her girls, she was a very active, hands on mom who kept the girls in many extracurricular activities and from swimming, dancing, arts & crafts, in school & after school activities and more, we often wondered how she did it all. She kept the girls Beautiful! Often all matching from head to toe, which was her special bond with them, so you knew when Melonie's "Angels" arrived.

Melonie Jean Joyner passed away unexpectedly on October 23rd just moments after giving birth to a beautiful baby girl. Her loss was very sudden and is still an unimaginable shock to her family and loved ones.

There in No One Melonie Did Not Love and She leaves behind to cherish her memory...Her Mother Gene Parks, Her Father Stuart Joyner, Her Sisters Faith Joyner- Wells & Kaila Washington, Her Love Terrick "TC" Allen, Her Four Daughters Taniya Melonie Allen, Tania Morgan Allen, Taylin True Allen and Tylah Rose Allen, Two Bonus Daughters Teonna and Ariane. Hey Mel, it's Dr Moses. I am so heartbroken still to hear of your passing. It's crazy to think I'll not see you at the girls' appointments. TC is doing a great job though and Tylah is growing so well. I miss you so much even though I only saw you a few times a year, I always knew you were just a phone call away. I love you and miss you. Till we meet again 🥹🥹🥹

“ *Melonie was such a wonderful person - I enjoyed every single conversation I had with her. She was such a cheerful and warm person - her bright personality, coupled with her intelligence, made her such a pleasure to work with. She spoke with so much love about her family - she had such a big heart, and was so proud of her children. Her loss is a big blow to her SSA family, and I send my deepest condolences to her loved ones.*

“ I never met Melonie in person. She joined my project at SSA after we were all quarantining, so my only interactions with her were in tele-meetings. We would both "hop on" to meetings early, which impressed me. You can always tell someone is going to go far if they arrive early. But more than just being early, Melonie was always bright and cheerful. When I found out she was going to have a baby, I was really happy for her. She worked right up until she was supposed to deliver, so I remember people wishing her well and saying goodbye and good luck to her in her last meeting that week before the baby came. I knew we were all going to miss her, I just didn't realize it would be for so long. Melonie was a light in a dark time.

“My condolences to the family, her partner and children. Melonie was such a bright light.. with her light she attracted so many. One thing I will always remember about her is her forgiving spirit. It gave her peace during challenging times to not dwell on the past in order to have a more peaceful present. Love you my sister-friend 🥹🥹🥹
