“ *I would like to express my condolences to Mr. Mack's family. The loss of a loved one can be painful and difficult to bear that's why the Bible calls death an "enemy." But, please assured that God promises to do away with that enemy and all the pain it causes according to 1Corinthians 15:26 and Revelation 21:4. Also, Daniel 12:2 states, "many asleep in the ground of dust will wake up." Yes, these are promises of God, who cannot lie.-Titus 1:2. May you continue to find comfort in God's Word of Truth, the Bible.##imported-begin##Valerie Johnson##imported-end##*

“ Dear family, I offer my sincere sympathy for the loss of Mr Mack. May God comfort and sustain you during this time. If an able-bodied man dies can he live again? That is the question the faithful man Job in the bible wanted to know the answer to. At Job 14:14,15 we find the answer to that question. It says, "you will call, and I myself shall answer you. "For the work of your hands you will have a yearning." From learning about the true and loving God Jehovah, Job knew that Jehovah would have a yearning to see his faithful servant Job alive again. Many millions of people will be made alive again in the promised resurrection. At John 11;25 Jesus said, "I am the resurrection and the life. "He who exercised faith in me, even though he dies, will come to life." One day Melvin will also come to life by means of the resurrection. May you be comforted by this wonderful hope.##imported-begin##R Johnson##imported-end##
