“ *(Romans 15:4) For all the things that were written aforetime were written for our instruction, that through our endurance and through the comfort from the Scriptures we might have hope*

I am one of the international Bible Students in the area. I would like to send condolences to the family. There is a God of comfort and you can read your Bible so that he can help you during this time in your life. I hope these scriptures help comfort you.

(John 5:28-29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.

To the Family of Melvin Pulliam Sr;

My prayers are with you during this grievous time. Losing a love one to death will never be joyous from a human standpoint however from a spiritual standpoint it is very hopeful. I say this because the bible state the wages of sin is death, so the debt to God is paid at this point. (Rom 6:23) When I speak of sin I'm referring to the sin Adam put us under when he and Eve rebelled against Jehovah God which produced all the physical suffering man experience down to this day. So we all are branded with that. The joyous side of this is Melvin as well as many loss love ones are in God's memory awaiting the time when Jehovah's son Jesus who has been given the authority to wake those who are sleeping in death. Dan 12: 2 states the dead will wake from the ground and John 5:28-29 stated the time will come when those sleeping in death will hear Jesus voice and come out from the memorial tombs. Now that will be one of many happy times Jehovah has promised mankind and Jesus is the one to see this through. How wonderful it will be when Rev 21:4 is fulfilled, death will be no more and neither the things that will cause such pain will be no more. Is 33:24 states one day no one will say I'm sick. This will truly be a blessing since today we all are trouble with the many disgusting things that impacts all our lives in some form or fashion, yes even to death. So I pray that The God of comfort brings the comfort you need at this time and our trust in God will be ever stronger as we deepen our faith in the things heard. Remember God's word will not return without results. (Is 55:11) This we can truly rely on because it is impossible for God to Lie. The first part of Heb 6:18.
