“ *Dad, I'm really sad that you are gone! I didn't think the many talks we had of you preparing for this as you became older would occur. In my mind I just knew you would be the oldest youngest person alive. Everything you said would happen...is happening. Although it saddened me I know that you are mom are with me and I thank you for everything you have done for me. Thank you being the best Dad who taught me how to manage finances, how to stay focused on my education and goals in life, how if anyone would ever mess with you would be ready to take them down LOL. I miss you and so does everyone who loved you dearly. Tell Mom I said hello..Im happy that you too are now back together again....rest well in peace*
