“ To the family of Michael, I offer my deepest sympathy. Losing a loved,one especially a child, is such a heartbreaking thing to go through. I know, because I lost my only son at age 29. I look forward to seeing him again, because the bible speaks of a ressurection for the dead. I believe all of Jehovah's promises, because he is the God of truth who never fails to fullfill his word. Joshua 23:14, Isiah 55:1. Even the prophets of old believed in the promises ressurection. The prohet Daniel even said at Daniel 12:2 that there will be many of those asleep in the ground of dust who will wake up." The apostle Paul also believed in this promise, and he said this at Acts 24:15, "And I have hope towards God that there is going to be a ressurection of both the righteous and the unrighteous." One day our sons will awaken from the sleep of death and return to our loving arms once again. May you find much comfort, as I have, in the wonderful hope of the ressurection.##imported-begin##R Johnson##imported-end##
