“ *I offer my sincere condolences to the family and friends of Michael. May you be comforted by the promises of Almighty God who comforts us all during our tribulation. 2nd Cor 1:3,4 His promises are wonderful, and he has many blessings in store for those who love and serve him faithfully. He never desired for people to ever die in the first place, and he views death as our enemy. 1st Cor 15:26 says, "As the last enemy, death will be brought to nothing." Also God promises that he will bring the dead back to life. Acts 24:15. One day soon the dead will rise to live in peaceful and secure conditions. May that wonderful hope be a sustaining force in your life, and give you much comfort and hope for the future.##imported-begin##R Johnson##imported-end##*

Also First Corinthians 15:26 tells us that our "enemy death" will be "destroyed." May you receive much comfort and strength every time you think about these wonderful promises from the Bible.##imported-begin##Sharon Hill##imported-end##

“ I thank God to have been blessed with such an interesting and knowledgeable uncle. My uncle constantly taught me and his daughter, Nicole, about lifes challenges and pleasures. He was one of the uncles I saw often and one who I was able to become fond of. When I look at him and see his complexion, his smile and I remember his laugh, I am reminded of both my Grandmother and Mother. I love my uncle and I know he is being taken care of in Heaven. I'm sure my mother is overjoyed and delighted to have her brother directly beside her in Heaven.##imported-begin##Tina Lipscomb##imported-end##

“ *Michael was a wonderful brother who was always full of life and adventure, he always told you how much he loved you. I was blessed to have gotten a chance to tell him how much I love him the last time I saw him and he gave me a big grin and a big hug. One of my brothers favorite foods were Stuffed Green Peppers and everytime I saw him, he asked when was I going to make them for him (smile). I will never forget my big brother, he will truly be missed.##imported-begin##Lisa Joines(Collier)##imported-end##*
