“ *Michael has been part of my family for many years. He always said he was my brother and I was his sister. We may have come from different mother's but he was still my brother. I know he is not present but he will forever be in my heart. I love you my sweet brother and I will see you when I get there. All my love always and forever. Love your sister Theresa,tbird*

“ *This is still so hard to believe. I'm going to miss you so much. I love how he was the life of the party and how his smile could light up a room. My uncle touched so many lives and hearts. I don't know how we're going to do holidays without you. Rest in heaven I love you.*

“ I remember taking trips to Va. Beach back in the day, when we were kids. When it came time for us to have a snack, I looked next to me and saw that Mike was eating a sandwich with sand all over his face, hands and the sandwich. My sister Lorri started laughing and said, "Michael is eating a sand sandwich!" It might not be funny to you but all I know is, all of us (Charlene, Lorri, Tawanda, Kim and myself) just cracked up. And to this day I know Lorri still remembers it because we mention it often about the time Mike ate the "SAND SANDWICH" Gonna miss you Dude. Wish we could have kicked it a lil more before I moved out to Cali. Condolences to the entire Glover Family. Love ,your Godson and brother Edgar(Buddy) R. Anderson,IV

“ I knew from the moment that I met him at Community College many years ago that Mike was a very special soul. He was so warm and friendly. Always smiling. Never a bad word to say about anyone. He and his two boys, very young at the time, took time from their busy schedules to come visit me and my wife in Roanoke, to keep our friendship alive and close. We took the boys to the zoo. We all had such a good time. Mike was so involved with his family and worked as hard as he could to do the best for them. I am so blessed to have met Mike and to have had him be a part of my life. I will remember him always, especially his wonderful smile and tender heart.

“ *My family loved Mr Michael! My 3 children have known him since their birth. He has always been there....they would run to his open arms and the four of them had smiles that could brighten any day. His smile lit up the day and his laughter was like music. The world has lost a wonderful man but heaven has gained an amazing angel.*

“ I am another former co-worker and friend of Michael's. We worked together in the office at the Grace Street Ukrop's, and my time there is full of wonderful memories of Michael. He always had a smile on his face and we spent many hours laughing. He often answered the phone laughing and, when unable to stop, had to put the customer on hold without saying a word, and one of the rest of us would have to answer and pretend we didn't know what happened. When he laughed, he laughed with his whole body and you knew that he really meant it. I can't think of him without smiling. Michael was a treasure and he will be sorely missed. But one thing is for sure, he is now resting in God's kingdom.

*Love and prayers to Edwina, "Junior," and Joshua.*

“ *Margie, Chuck, Charlene, and Edwina, I pray for you and your family. God loves you so much so please take comfort in knowing that as you grieve for Michael He also grieves with you. When I received the news of Michael's death I very nearly passed out. I had not seen Michael in quite a few months (at Martins). Hearing that news was like hearing it about one of my own children. My mind next took me back to Michael as a child and how he along with the other 5 children (Buddy, Lori, Charlene, TaWanda, & Kim) would lovingly tease "Granny" about the fact that they were, or soon would be, taller than her. Michael lived his life for Christ and touched the lives of so many people along his journey through of life. Often we find it difficult to find the words to express what we feel in our hearts when a loved one closes this door and departs his earthly body receiving his reward in heaven as he opens the door to his mansion. Let God's never ending love and assurance be the guide that you will need to open your hearts, mind, body and soul up to Him and just "be" (the time to pray and ask God for encouragement, and peace as you allow the tears freely flow for "just you;" time to grieve and reflect at your own pace.*

“I worked at Ukrops with Michael and continued to see him at the store when I returned to teaching. I will always remember him for his great sense of humor, his love of God, his love of family, his pride in his children, and the special care he felt for the special kids wherever he substituted. I am saddened by his passing, but I know he is with the Lord right now. May God keep you in His peace.

“I worked in the bank inside Martin's and we always made PA's. One day Michael made a sign and taped it to a broom handle and protested our announcements as he walked back and forth in front of the branch laughing as hard as he could. That was just one of many memories from having the pleasure of knowing Michael. I am very sorry for your loss! He will truly be missed by everyone that knew him.
