“ *It still hard to believe that you have passed away. I still remember the days and nights on Milton Ave. From the many Thanksgiving's day football games we played to just seeing each other in passing through the years. Rest In Peace Mike-Mike!!!*

“ *I had the honor of calling Mike Hope my teammate, my customer, and most importantly, my friend. He gave the best hugs, was always supportive, and had a way of making everyone around him feel loved. Mike once told me that playing pool kept him alive and gave him a reason to keep coming out—and I can say without a doubt, we were all better for it.*

I should have added him to every one of my teams. I'm going to miss him so much... miss giving him his soda water with lots of ice and 2 lemons, miss capturing selfies of him sleeping, miss his laugh, his smile, and even his snore (lol). And Mike... who's going to repost the video every year of Chris getting on my nerves?

We love you, Mike. You will forever be missed, always remembered, and always part of our hearts.

— *Love, Nicole*
