“ I just wanted to say I was truly sorry to hear that Michael was gone. It is never easily to loose a loved one, but we must have Faith that God is in control and that God wanted Michael now. What I remember most about Mike was that everytime I saw him he had this big smile on his face. The other thing about Mike was that no matter where we were or who we were with, we always recognized family. I believe the Mello's have a bond of love that is ever present no matter how far your away, no matter the years. As I remember Mike always demonstrated that capacity to love and that will be truly missed. I send all my love to his wife, father, mother and the entire family. I love you Pattyboy :)###imported-begin###Patrick Britton###imported-end##

“ Praise the Lord, I remember when we were little and I was over Michael, Gregory's house on Patterson Park Avenue, we played hard in the back yard, went to the store and got candy and icecream. We would gather up the soda bottles and take them to the store and we would in exchange get cookies and candy. I even miss him by not being in touch as we grew older, I think the last time I seen Michael was at his brother Gregory's wedding. We danced together. He always said "keep in touch," I will remember Michael as a loving, funny person, having something profound to say. God Bless the family and I definitely will keep you before the throne of Grace. “ Dearest Big Brother, My heart aches more than words can express. I can not believe that you are gone. You were such a vital part of my upbringing. Although you were 15 years older than me, you always took time to spend with me and take me places with you. I especially cherish the many visits to Morgan's campus and the rental care rides! I know that you are in a better place, but it is going to be so hard carrying on without you being physically present. Thank you so much for everything that you've done for me. I will never forget all of the brotherly advice and encouragement. I will always love you. Until we meet again big bro, may you rest in peace! “ I extend my deepest sympathy to the family of Michael on his passing. I know your hearts are heavy, but know that the God of all comfort has a wonderful future in store for those who love him. 2nd Cor 1:3,4. Psalm 37:10-11,29. Please know that all sickness and death will soon be eradicated from the earth forever, because Isaih 25,8 lets us know that Jehovah will swallow up death forever, and certainly wipe the tears from all faces." Also by means of the ressurection all those who are in the memorial tombs will hear the voice of Jesus and come out to a ressurection of life, according to John 5:28,29. Jesu brought many back to life when he was here on earth, including Lazarus and a 12-year old girl. Mark 5:38-43, and John 11:38-45. To learn more about Jehovah"s purpose for us, please contact me on my e-mail, and may you find much comfort and strength from the scriptures. Remember that obedience to Jehovah and faith in the sacrifice of Christ Jesus is the key to everlasting life. John 3,16###imported-begin##rita johnson##imported-end##

“ Two weeks after Mikes home going, I find my self wishing I had said more to my buddy the last time we spoke. I have revisited every party we crashed, each trip to Howard university, disco, hanging in Columbia and all the crazy thing we did and had fun together, Mike was my main buddy and when we would talk we would always speak of the fine and fun times we had with Gary Press, Willie Rogers, Steve, Gregory Lewis, Timmy Johnson- the "Maradors" man we had a ball. I miss you man. I will never forget the Thanksgiving you game over to my moms house and we ate like there was no tommorrow. We fell asleep we were so full. My mother always speaks of that day fondly. “ I am sorry to learn of the death of Michael. I'm sure that was must have been a difficult time for all of you. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not so when God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ Hey Mike. I can't believe that it's been almost 21/2 years since you passed on. On the 1st anniversary of your death, I felt sick all over for weeks. It felt like you died all over again. The 2nd anniversary was a little easier to get through, but I still can't believe that you are gone. I think about you every day. Sometimes I laugh when I think about your sense of humor. I often wish I had followed more of your advice, especially with money matters. Sometimes I cry when I think about how you were so full of life, but now you are no longer here. I never imagined losing a sibling. For a while there, I though this was all some terrible dream and that your death couldn't have happened. I'm always thinking of what I should have done or should have said to you. There was definitely room for improvement in the area of staying in touch. I think we all just took for granted that we would always be around. I find comfort in knowing that we will meet again. God is good!! If it weren't for him, we would have never made it through this process. Oh well, please keep a look out on me. Send down some of that confidence and motivation that you had so much of. I need all the help I can get! Until next time..... Love ya, Natalie
