

Michael Gregory McClain

July 6, 1963 - October 25, 2017

MICHAEL GREGORY MCCLAIN, SR., 54 of Baltimore, Maryland, left us suddenly under the cover of darkness on October 25, 2017. He was born on July 6, 1963, the fourth child of Elphenious and Edith McClain (Richardson).

Michael attended Southwestern High School, Howard Community College, Bowie State, and Coppin State University, where he was studying Elementary School.

Michael enjoyed cooking, eating, and traveling, and did not mind showing off how much he could eat. He made the best fried chicken and pork chops, and could even cook Filipino food! His passion was Asian travel and he spent years in the Philippines, where he met his companion and had a beautiful daughter. Mike was a private man who enjoyed his solitude and lived life on his own terms. He was close to his family and intimate circle of friends. His charming personality and engaging spirit will be sorely missed.

Preceding him in death are his father, Elphenious, brother Alphonso, and beloved stepfather Thomas.

Her leaves to cherish his memory: his mother Edith, sister Vivian, brother Douglas, sons Michael Jr. and Terrance Porter, daughter Candice, stepdaughter Alexander, dearest niece Cynthia and her husband Daniel,

loving companion Carole Villanueva, nephews Roland and Douglas Jr, aunts Ophelia, Mary, and uncle Charles Lee, aunt Genevieve, step siblings Gary, Thomas, Pamela, and Christine Richardson, and a host of cousins and friends.

I am shocked and saddened at the news of Mike's passing. I attended classes at Coppin State with Mike. He was deep and intellectual, I will always remember the pearls of wisdom he dropped on all of us in EDUC 300. I had noticed he wasn't in class for the past few weeks...now I know why. Prayers and condolences to the McClain family

I am deeply saddened by Mike's passing. I had multiple classes with him in my time at Coppin. When I first came to Coppin I did not have any materials to be successful in my classes. Everyday Mike shared his book with me, gave me paper, and on occasion a writing utensil when i didn't have one. Seeing this picture and these words about his passing has brought me to literal tears. I am so hurt by his loss, a great man. great classmate, and all around good guy. I send my deepest sympathies to his family, and i pray for your strength and perseverance.

It is with such a heavy heart that I write this note. Michael McClain was an excellent student in my math classes for 2 semesters. He was such a fantastic person. His presence will be sorely missed. Words cannot properly express my feelings.

I deeply regret that we did not know sooner for surely we would have been with the family during the services.
