To The family of Michael Meredith Sr:

May The God of Comfort and the hearer of Prayer rest His spirit upon you in that the endurance needed to weather this storm will strengthen you every step of the way till it passes or till the impact of this loss is emotionally, physiologically and physically manageable. Without Jehovah God's spirit there is nothing we can do of our own accord, nothing. This is why holding on tight to His word of hope will help us all to see a brighter future even after the loss of a love one. Yes Jehovah has taken everything into account to once again make whole all humans in the way He had originally purposed. Death was never a part of life's equation and that is why according to Rev 21:4 death and the things that cause pain and suffering will be no more. As for the ones loss to death Jehovah God has given all authority to Christ Jesus to resurrect the dead (John 5:28-29). God's word states at Dan 12:2, those who are sleeping in the ground of dust will wake up to indefinitely lasting life and death will be swallowed up forever. (Is 25:8) How wonderful that day will be when death would never have to be a concern. Many people think this is just a fantasy, wishful thinking but God's word is no fantasy its true. The bible states God's word is truth (John 17:17) and Is 55:11 says Jehovah God's word will not return without results. This we can rely because it is impossible for God to Lie. (Heb 6:18). So have faith in ones hope. Remember faith is the assured expectation of things hoped for but yet not beheld...(Heb 11:1) Also Rom 8:24 states hope that is seen is not hope, when a man sees a thing does he hope for it? But if we hope for what we do not see we keep waiting for it with endurance. Yes and our hope is one day to see Michael again among family and friends. Right now Michael rest in Jehovah God's memory awaiting the day Christ Jesus will call out to him and say Michael wake up. Just as Lazarus death was temporary so too is Michael's. May The God of comfort draw you every closer at this time of bereavement.
