“ Big Mike had a love for music and he enjoyed playing music with his brothers. I remember the song they recorded called "The Price" by the Sherrell Brothers. Yes, it was recorded on Currison Records and it's still on YOUTUBE...

*Sometimes life takes us in different directions and life truly is short, because you look up and before you know it, we are here wishing we had one more day to say I love you or I appreciate you or I hope all is well. I have learned that Life is fragile and too often we look up and wonder where did all of that time go.*

*Time continues even when we take a break and it will be time that will extend healing to our hearts and minds. Another loved one has heard the call of God because there's a mansion waiting for just for him. ...*

*,,,In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. -John 14:2*

*Big Mike, enjoy your mansion and all of us that are here will continue to love you until we all meet again.*

*May God Heal our hearts and let good memories bring us peace, during this time of sadness.*

*Yours In Christ,*

*Denise, Natysha and Alexandria,*
