“ Dear family, I send my deepest sympathy for your loss. I know this has to be especially hard for her children to lose their mom while they are still so very young. I know how that feels, because I was 18 when my mother died and it was devastating. That has been 40 years ago, but I still miss her, but I now have learned from the bible that one day soon I will see her again. I urge her children to have a bible study so that you can learn of this wonderful resurrection hope, and how you can attain it. As one of Jehovah's witnesses, we have a worldwide bible educational program, which is free of charge to our neighbors worldwide. Please speak to any of Jehovah's witnesses when they call at your door if you are interested in having a bible study. You can have so many of your questions answered: questions such as, What happens to people when they die? Will we ever see them again? When will God end all suffering? and What must we do to receive the many blessings God has promised? Soon your mom and millions of others will come back to life in a peaceful new world; a new paradise that Jehovah is creating, because this has always been his purpose from the beginning. Genesis 2:17, Psalm 37:10,11, 2nd Peter 3:13. He never wanted none of us to die, and soon he will get rid of this enemy death forever. 1st Cor 15:26. May the promise of the resurrection sustain and comfort you until your mother comes to life again. John 5:28,29, Acts 24:15###imported-begin###R Johnson###imported-end###
