“ *I'll never forget my summer staying in Cumberland wit Aunt Mitzi. She spoiled me and showed me so much loved and I learned so much about our family. Her home was full of love and everyone who knew her felt it. I could tell even as a teenager that she had a presence and meaningful place in so many peoples lives. It honestly still doesn't even feel real and I know that all our lives are forever gonna be different now that she's gone. For our families sake I'm continuing to pray for all of us and uplift her memory as she is now apart of our ancestral team that can guide us and protect us.*
