“ You have always been a joy to be around. I remember Mikael asking me if I could do his taxes one year, of course I said yes. When I got to his school information I said where is your 1098. He said what is that going to do, I said give it to me and you will see. So he found it brought it back and when that figure went from him oweing IRS to him getting over \$2,000.00 back, he said I didn't know that would happen. I said what have you been doing with the 1098's the school send you each year, he said nothing. I said nothing from nothing leaves nothing, if we did not bust out laughing. He said mane Ms. Hairston, thanks cause this oil heat ain't no joke. You are forever loved by fannie, nikki, shay, and tre' hairston. GOD had a better job for you, so until we meet again, you do what you do best young man. Keep planning, and moving ahead.
