“ *I had the experience to personally know Milton, and he was a great example of a human being. There should be more like him in this day and time. My heart goes out to the family, and I love them all, and may God be with them at this trying time.*

“ *To the Hill family: Know that others share in your sorrow. May God strengthen all of you and your church family during this time. I pray that God will bring those to justice responsible for this ridiculous crime. Baltimore has very good Detectives and Commisioner. I believe it will be a matter of time before they are caught. God takes the good and leaves the bad. It's hard to understand why. Seems the bad don't want to do good. Just think Mr. Hill has been with the Lord since Friday. I know he is rejoicing and will be watching over you. God bless all of you.*
