“ My condolences to your family for your loss. May you be comforted by God's promise found in the bible at JOhn 5:28,29 which says, "Donot marvel at this because the hour is coming in which all those in the memorial tombs will hear his voice and come out." So all in Jehovah's memory will be restored back to life in paradise conditions, and we can be reunited with them if we are faithful and do his will. God desires noone to die, but wants all of us to live forever in peace. Please read Psalm 37:10,11,29, and Rev.21:3-5. I hope his promises bring you comfort at this time.##imported-begin##R Johnaon##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son Jesus Christ have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ I would like to send my fellow feeling to u all.Mr. Smith was almost 65 years young. Today there is so much dying in the world that it is overwhelming. We can take encouragement from the fact the dying was not part of the original purpose of our Heavenly Father. The time is coming when mankind will live forever as John17:3 say. May all the cherished memories of Mr. Smith keep having an impact on your lives . My condolences, Lillian Crosby.##imported-begin##Lillian Crosby##imported-end##
