“ God Give Us An Angel ...

*Miranda was a gorgeous gift an angel sent from God above.
She opened her heart to welcome all
giving unselfishly to others her unconditional love.*

*I still see that infectious smile from across the room . it was
charming to all she met, treasure these days to the fullest . Live
your best life without regret.*

*The pain of losing a friend is so very hard to bare . Oh Lord, I know
I'm not suppose to question your will .I cried so many tears
yesterday,
Please help me understand death
why do the most beautiful things in life pass away .*

*During this time of bereavement
I pray for healing and comfort for the family
as well as friends in your name.
we all came here to say goodbye .*

*GOD only takes the best.
You deserve to rest. My dear friend ,
You have reached the end
of your earthly journey.
The things we tend to treasure
most has to be released
from our hands
gracefully given back to God .*
