“ I was saddened and heartbroken to hear that Monica had transitioned. We became very close during the years that I provided childcare for Messiah. Monica become more than a client she become a friend. I am praying deeply for the family and sending special prayers for Messiah while he continues life without the one person who provided for him since birth. Monica I will never forget you and Messiah. Peace and Blessings.

*I was so saddened to hear that my neighbor of more than 12 years had passed. We became very close and enjoyed working in our yards. I've been looking at her house waiting for her to poke her head out of the door and say something. She was truly an Angel here on earth and has earned her crown. May she Rest-in Paradise and may her memory live on in our hearts. My deepest condolences and prayers are with "Messiah" and her family. Earth has no sorrow that Heaven can not heal. Rest my dear friend... Rest 🙏🙏❤️*

*Nobody knows but the Lord Jesus Christ may you find peace for your soul, you showed love to all and your warm beautiful smile. I will always remember how you always came to our church anniversary and you loved to hear your Aunt Doris sing you told her I just love the way you sing it brings me to tears I don't know what it is I can't explain. Your spirit will live on with your beloved son Messiah the angels are with him. Absent in the body present with the Lord. RIP. Cousin Clarissa Thompson*
