

Monica Marshall

February 16, 1960 - July 9, 2006

MONICA CECILIA MARSHALL was born on February 16, 1960, beloved eldest daughter through the union of the late William Leo Marshall and mother Sarah; however Monica was later reared by her stepfather, the late Robert N. Epperson, along with her mother. Monica received her education in the Baltimore City public school system and graduated from Walbrook High School in 1978. Monica attended Cheney State University where she obtained her bachelor's degree in Marketing. Monica was dedicated and very loyal wherever she was employed; such as Greater Baltimore Medical Center (G.B.M.C.), Maryland General Hospital and for the last three years at Jai Medical Systems as Director of Customer Service. It was at Jai Medical Systems where she displayed her love, kindness and compassion for others. She was well known and loved by many of the patients and as well as the staff. Monica was known for having a great love for children and a passion for homemaking; she was an avid cook, excellent interior decorator and enjoyed gardening. She also had a special interest in mystery and horror movies. Monica was truly special, the "Virtuous Woman" who loved life, who was an encourager and enabler to family and friends. She will be missed by all. Monica leaves to cherish her memory: her mother, Sarah Epperson; her sister, Karen Marshall; long time devoted companion, Percy Brown; and a host of uncles, aunts, cousins, other relatives and friends.

“ *My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##*

“ Please accept my sincere condolences on the passing of your dear Monica. She was dear to many of her friends and co-workers and we will miss her warm, sweet spirit. She was always willing to lend a hand, to serve the community and to be a wonderful friend. I have known her since the Hopkins days and again, I had the honor of working with her at GBMC. Monica was a force of love and compassion, whose presence warmed all of those around her. I can't think of a single person whom she did not touch with her beautiful smile and her absolute willingness to befriend and assist if needed. I enjoyed just laughing with her and sharing music CD's at the holidays. She was missed immediately upon her leaving GBMC, and our center suffered immensely after her departure. I miss her now, but I know that she is in a beautiful place surrounded by as much love as she gave to the universe. God bless her sweet soul and God bless you as you go through this difficult time.##imported-begin##Dr. Alva Smith##imported-end##
