“ *Remembering our last phone call. Sorry it took so long for me to reach out again, and it had to be like this. I keep praying thus was all a dream, and someone call to say it's not true. I will always treasure the times you came around and the memories you created within my family. Sending my deepest condolences to your family.

“ Morgan was a bright, beautiful ray of sunshine!!! She was energetic and always inquisitive and full of energy. As a small child I remember her gathering with her Godfather (Larry Rock - my nephew) and his family at those summer cookouts! May her family gather the strength they need through prayer to get through this trying time and know that she now rests among Angels!!! Will miss you and that one in a million smile and spirit! Love, Aunt Janice
