“ *To the family and Friends of Morrisella Middleton- My name is Edla Coleman and I am from the Survivors Offering Support, or SOS Program at Saint Joseph Medical Center. Your wonderful Morrisella came to me to train as an SOS Mentor for other women going through breast cancer. I was so blessed to know her, and to have her on my team. She blessed some of the patients with her support, before she became ill again. There was a wonderful woman the Marrisella mentored who lived way over on the Eastern Shore and she made such a difference for this woman! I did not know Morissella was sick, and had tried unsuccessfully to reach her. I cannot tell you how sad I was to hear of her passing. My deepest and sincere condolences to your family. God Bless your beautiful Morrisella.*

“ *My sincere condolences to your family. Death of a loved one is never easy to deal with and our heavenly Father knows this very well. That is why he made this promise in his word the Holy Bible that very soon death will be swallowed up so that we will not experience that pain anymore. This is found your in Bible at Isaiah 25:8. His wonderful son, Jesus Christ not only promised that there will be a resurrection of those that died; (John 5:28, 29) but he also demonstrated it when he resurrected his dear friend Lazarus from death; (John Chapter 11).*

I hope that during this difficult time these and other delightful promises from our heavenly Father bring some comfort to your family.
