“ *My dearest Auntie will be greatly missed.Ive had her in my life all my life.Her unconditional love has help me to become the person that I am today.Whenever I needed her ,she was always available.The jokes,the phone calls ( sometimes 2-3 a day ),the advice ,the trips to our favorite places,keeping up with everything that my kids have done so she could say "I'm not braving I'm facting ".I'll always love you Auntie for the little things.A lot of my summers were spent with you . You really did treat me as your own and when I had my first grandchild ,you called him your grandson.Many times you couldn't look into my eyes because you seen my dad,your brother.My tears continue to flow like a fountain.We all know God doesn't make any mistakes.Sleep peacefully beside your mother .You will never,ever bee forgotten.You'll live forever in my heart*
