“ *my grandmother, mozella ziglar, was like a mother to me. she was a mother to many, sister to few and a friend to everyone. my grandmother was one who truly lived her life through christ in every step she took. she covered miraculously through so many detrimental surgeries she had undergone. she was my prayer warrior. she was and still is my angel. i love her so much and i'd give anything to have her back. i just know without doubt she's in god's palace where she always wanted to be one day and i pray one we met again. i love you grandma ❤️ rest in paradise*

“ To the family of Dr. Mozella Ziglar, we send you our love and comfort from Chesnee, South Carolina.

I will always remember Mother Ziglar with a smile on her face, no matter what obstacles of health she was presented with, she always had a smile. She loved the Lord, her church family, her family and most importantly, she loved people. She had a BIG heart that touched so many of our lives. I am proud to have been apart of her church-family life for several years and can attest that she has fought the good fight of faith every step of the way.

Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.~ John 14:27
