“ I remember when I was younger, I would sleep over at her house all the time. When it was time to leave, I'd be upset. Miss those days & miss her even more. Happy Birthday sister 💕🍫

“ *Sometimes words just are not enough to take away our grief, so we rely on God for help and strength in our belief. May He uplift you greatly, take the sorrow that you bear, than comfort you with healing in the safety of His care... May God’s love comfort you at this difficult time.##imported-begin##The March Family and Staff##imported-end##*
