“ too loose a loved one is hard and epsecially a mother. i feel deeply sadden for her children and they are so young. my name is Candice Comander and i am leaving some words of encouragement to Myesha's family. death is a hard thing for any family to go through specially when its a young person. Myeshe seems to have been very energetic and outgoing and family can be there with her children to help them out as well. but the best help for anyone in the time of the loss of a family member is in god's word the bible. jehovah promises that we will see our loved ones again in paradise if we follow his commands and live righteously. Acts 24:15 " and i have hope toward god, which hope these men themselves also entertain, that there is going to be a resurection of bot the righteous and unrighteous." Psalms 37:29 " the righteous themselves wil posses the earth, and they reside forever upon it." so if we live according to what jehovah commanded us then we will all have the privilage of being there to welcome all our family and friends that have died and to say welcome home!!!!!! if the family wanted to contact me they can email me at damontre06@yahoo.com or contact and of jehovah's witnesses in your local area.
