“ Ms. Myra was a personality that spread Love. She called me her little namesake. She mentored me on the environment of SSA, when I arrived in her module in 2001. She always encouraged me to be good to me first. Till this day I pass that same sentiment to my employees (BGood 2 U). Whenever you said: How are you Ms. Myra? She always responded: "Wonderful!" with a bright smile. When I saw her last , I was leaving Woodlawn to another component at Wabash. I told her I accepted a management position. She hugged me and said: "I always told you, you would be a great manager." I hugged her back and said "Thank You!" What I never got to tell her again was "I loved her too." That falls on me. To her daughters, I say... Your Mother was a beautiful person and loved by many. Thank you for sharing her. She will be greatly missed.

“ Myra rode the #31 MTA bus with me to & from Social Security Administration's (SSA) Security West bldg where we worked. We first met in 2017 at that bldg & we always had lots of good conversations with lots of laughs. I'll definitely miss her & I know that our regular group of #31 MTA bus riders at SSA's Security West & Headquarters bldgs will too. My heart-felt condolences go out to all of her family & friends.
