

Nancy Annette Hardy

December 12, 1942 - December 1, 2006

Nancy Annette Hardy, daughter of the late Bob and Lilly Mae Byrd was born on December 12, 1942 in Aberdeen, North Carolina. She departed this life on December 1, 2006 after a lengthy illness. Nancy attended Berkeley High School in Aberdeen, North Carolina and came to Baltimore at a young age. She worked for Century Nursing Home on Paca Street for seventeen years. She worked various jobs after leaving there until she became ill and could no longer work. She was blessed with two children: daughter, Cynthia McCray and her son, (Ricky preceded her in death) and she was blessed with a Someone Special for thirty years, Robert Hardy, who also preceded her in death. Nancy was loved by all who knew or just came in contact with her, especially her family. When she wasn't somewhere in Atlantic City or Dover Downs, she was somewhere with her family playing cards and saying or doing something to make you laugh and smile even when you didn't feel like it. She would gladly help anyone that was in need. She truly will be missed. Nancy leaves to mourn: her daughter, Cynthia McCray; sister, Elizabeth Carmichael; other brothers and sisters in Aberdeen, North Carolina; three stepchildren, Barbara Anderson, William Vaughan Jr. and Ronnie Vaughan Sr.; five grandchildren, Shirley Bailey, Veronica Bailey, Christina Bailey, Roland Bailey and Leroy Bailey' twelve great-grandchildren and a host of nephews, nieces, relatives and friends.

“ My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son Jesus Christ have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future and our loved ones who have lost their life to our enemy death.##imported-begin##Carter##imported-end##
