God Saw You Getting Weary

God saw you getting weary, so He did what He thought best,
He came and stood beside you and whispered, come and rest.
You wished no one a last farewell nor even said goodbye,
You were gone before we knew it and only God knows why.

When God called you to come and rest, you didn't go alone,
For part of us went with you, the day God took you home.

A Mother's Love

We'll always remember that special smile, that caring heart, that warm embrace you always gave us. For always being there for us, through good times and bad times, no matter what. We'll always remember you, Mom, because there will never be another to replace the love we have forever in our hearts for you.

Love Always,

Shirley, Hosea, and John, Jr.

“ *To the Family of this dear, sweet and anointed Woman of God, I pray that God keeps you in perfect peace and comfort you as you go through this day and the days come. Ms. Nancy was the sweetest, most caring woman. I loved her beyond words. She was always there when ever I got sick to offer encouraging words and just to let me know God give battles to his strongest fighter. Well, he surely blessed me with 22 wonderful years of knowing and just been blessed by her wonderful spirit. I praise God even in the time of sorrow because I know that she has made it home. She is singing in the Heavenly Choir and shouting thanking God for blessing and keeping her all these years. Again, my family has your family in our thoughts and continuous prayers of comfort and love.
