“ *My heartfelt condolences to the family. I will forever treasure the time we've known the King family, since living right next door for many, many years. My Mom and Nancy shared a special friendship/bond that continued throughout the years and they were also the dynamic Bid Whist duo! We've spent so many weekends getting together for Bid Whist tournaments and yes they were a force to be reckoned with. One of my most memorable moments is two years ago she attended my Mom's 80th surprise birthday party and I watched she and my Brother (both in wheelchairs) have the time of their lives and that memory will be forever etched in my mind and heart. Rest well Nancy "Lady C" King Chambers.*
