“ I offer my sincere condolences to the family of Mrs King at this difficult time. Death is truly difficult to come to terms with, especially for the family and friends who miss their loved one so much. God never meant for this to be, and one day he will undo all the pain and sorrow people have gone through the world over. 1st Cor 15:26 promiss, "As the last enemy, death will be brought to nothing." That is something only Jehovah God can do. Through his son Jesus who paid the precious ransom price, all death will be done away with, and he has given Jesus all authority to ressurect the dead. Please read John 5:26-29 concerning this wonderful promise. May you find solace in your precious memories you shared with Nannie, and may the bible be a great source of comfort to you in the days ahead.##imported-begin##R Johnson##imported-end##

“ I am sorry to learn of the death of Nannie. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not the case from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
