“ *I am so saddened and shocked to learn about Natalie's passing. I worked with her for many years as a recruiting partner. She was always so kind, thoughtful, and her smile was infectious. She remembered every detail about people and was genuinely curious and empathetic. I am sending her family lots of love.*

“ *I met Natalie during one of her tours of new hires and she filled the room with energy. It was truly an honor and a privilege to have met and worked with Natalie. I don't do well with good-bye so..till next time. My condolences to family and friends and PBS will never be the same without your presence Natalie. Continue to rest in paradise.*

“ *Natalie was such a beautiful woman - inside and out. I didn't know her well but we sat next to each other at a few Wakefield Marching Band parent meetings. Her son, Damon, played soccer with my son for several years and we had to chuckle because Damon rhymes with, Eamon, my son's name, which confused the coaches to no end!
God bless you all. I can't begin to imagine the grief you are experiencing.*
