

NATHAN BOONE

November 3, 1967 - November 7, 2019

Nathan Anthony Boone entered this world on November 3, 1967 to parents Connie and Audy in Baltimore, Maryland. Educated in Baltimore City public schools, he was employed by H & S Bakery and the Port of Baltimore in recent years.

Described as an avid sports fan, his colorful social media presence spoke volumes about how much he valued his family, the spontaneous new acquaintances he met at various intersections in his life, and the friends who were his heart and soul, forever treasured. Nathan's passion for bowling, The Arts, and attending concerts complimented his gift for gab and a natural ability to make people laugh. He saw through humor opportunities to connect which resonated with those who knew him best and others whose lives were rewarded with a passing smile. Time and time again he gave his all to help others. His love for Mt. Pleasant Church and Ministries and Bishop Johnson was well known and demonstrated by his random acts of kindness.

Fondly remembered in recent days as a good son, saved and spiritually mentored; there wasn't anything Nathan would not do for his beloved mother who he cherished to the moon and back. Always putting others first before himself, their comfort and convenience his personal priority, and never forgetting those who went beyond to support his Mom.

Nathan leaves to mourn: his mother, Connie Boone-Veney; his

brother, Lafayette McGlotten Sr.; three sisters, Pamela Zylanz, Gail Brown, and Teresa Waters; uncle, Lafayette Boone; aunts, Martha Owens, Gloria Sampson Boone, Yvonne Stanley, and Augusta Baines; niece and nephews, Asia McGlotten, Lafayette McGlotten Jr., and Marceau McGlotten; special friend, Melba Eden; and a host of other relatives and friends.

“ Sometimes last month, my official Facebook account was hacked by some scammers and I couldn't login to my account. I was really scared because I am a model and I need my account to always be active or I make no money. I found out my account was used by the scammer to deceive my follower into funding a project I was modeling for. This could result to fall in my career status and even my reputation, so I contacted an hacker online who goes by *C.y.b.e.r.p.u.n.k.h.a.c.k.9.0.9.@.g.m.a.i.l.c.o.m*. This hacker literally saved my career from being recked by scammers within a space of 3hours I recovered account with even a more secure template. I really appreciate him for saving me.. “ HELLO THERE, i'm leaving this post here to keep my word in recommending this prompt and reliable hacker, QUADHACKED @ GMAIL. COM, also for people seeking legit hackers online, i was ripped twice before i contacted this ethical hacker. I always suspected my ex wife was up to something , as soon as i started experiencing financial setbacks my ex wife turned very cold in the house and used to stay out late , left the kids and won't even care, always lying . once i stopped by her job before calling her she said she was there but she wasn't, i knew something was going on .then amy colleague at work introduced me to QUADHACKED @ GMAIL. COM . This hacker assisted me in spying on my ex's phone without any traces , i was so amazed when i saw all that my wife has been up to. So many deleted messages and unclad media files exchange with the persons she was cheating with, so many emails and deleted whatsapp messages were all downloaded on the mirror device i was spying her from. i could access her call logs, whatsapp messages,facebook messenger, emails and every other social network she's signed on. this helped me a lot though it broke my heart but i'm happy i made that decision. if you need to find out what your spouse has been up to , say no more , send a message to QUADHACKED @ GMAIL.
