*Sweet dreams my big brother. You have been released from your burdens. I hope that you heard Anthony and I when we came to visit you and that my little jokes made you laugh deep inside. I will never ever forget you. I believe we will see each other again. I love you-

To my big brother who taught me a lot whether it was what to do or what not to do. You taught me in your own little way. I remember times when we played basketball together every Sunday morning after I hung out all night you come waking me up saying you know what today is you should have came and went to bed. I remember you having talks with me when I wasn't doing right. You will be missed but neva forgotten. Until we meet again. Delano
