“ *Hello cuzzo sorry to see you gone. You will be missed, sorry wasn't able to make it down to funeral but know praying for you and family. Sure miss the good old days back in 80's when you and Gene use to take us out as kids. Its just a shame how small this world is but its big enough for family to move miles away and allow us to have just memories and be apart from each other. Time ,work, play ,distractions, can separate us in ways it shouldn't . now you gone its pain n sorrow but now ur missed more then a little even more then when you where alive. We should always cherish the memories while where alive so it won't hurt when we go life is shorter then we can imagine love you big cuz Derrick Jones from Norristown pa.*
