“ Healing happens slowly over weeks and months and years and even then, there will be days when memories call fresh tears. A song, a scent, or photograph keeps your heart in touch; with all that you so treasured in the one you miss so much. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##

“ Navarro, I will try and keep your pool legacy alive here in Florida, but you know for me it's going to be tuff, but I know that you will be watching every shot and shaking your head at every one that I miss. For the family I send my love and prayers and hope that all the wonderful memories will be cherished as I will here.##imported-begin##Michael Fabian##imported-end##
