“ The tears that dampen our eyes in time of mourning are tears of homesickness, tears of longing for our loved ones. But it is we who are away from home, not they! Death has been for them a doorway to an eternal home. They are still with us, lovingly and tenderly waiting for the day when we, too, will enter the doorway of our eternal home. It is such a mistake to see death as separation and nothing more. For us who believe, death is a preparation for eternal union with those we love, in peace and in joy.###imported-begin###The March Family and Staff###imported-end##
