

Nelson M. Dakurah

September 11, 1987 - July 4, 2014

As a family we believe literally that Nelson will come back to life. The name Dakurah means one who comes back after death as a child. Adding the name Mandela to his name signifies what great hopes Nelson had. Mandela is a legend for life to the human family and Nelson, knew he would be a great member of that human family, not just to us his family. So while we mourn the physical loss of Nelson Mandela Dakurah, let us keep in mind that he will always be with us; We wish to thank all of you who join us in this tragic loss of our son. May his memory keep us together, always remembering that he loves us all,

“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 5yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*
