

Nicole Latrice Mason

February 20, 1988 - August 19, 2002

Nicole Lynn Mason, daughter of Ann F. Jones and Avery E. Mason, was born on February 20, 1988. She departed this life on August 19, 2002. She received her primary education at Charles Carroll of Carrollton Elementary in east Baltimore. She received her secondary education at Ben Franklin Middle School in south Baltimore where she resided with her mother, sister and brother. "Nikki," as she was often called, was a devoted big sister to her little brother Joneses and her little sister Annie. She also had an unconditional and special love for her mother. Even though she was not at home, she still showed love and concern for her mom, and you could tell because the last message that she sent to her mother was, "Tell my mother I'm coming home soon and tell her I love her!" She leaves to mourn her passing: her mom, Ann F. Jones; her father, Avery E. Mason; one sister, Ann "Annie" Jones; one brother, Edward "Joneses" Jones; her adopted father Rodney Mack; adopted grandmother, Glenda Mack; adopted aunt, Bridgette Mack; devoted aunt, Vera Ganey; aunt, Sandra Dennis; and a host of aunts, uncles, cousins and friends.

“ *Although you might find little solace in the why behind your sorrow. The one you love is gone from here, and this changes not tomorrow. If loss comes, too, with tragedy, its harder even still, to believe such pain was preference, much less anybody's will. God Bless You###imported-begin##The March Family and Staff###imported-end##*

“ *Nici was a true blessing to those of us who know her. A child I knew originally from O'Donnell Heights through the Saving Station from October last year, she cared for all of the children around her. It was Nici who asked for hugs and love for herself. Now she rests in the precious arms of Jesus her Savior who loves her unconditionally forevermore!###imported-begin##Rev. Theresa L. Oyler-Sayles###imported-end##*

“ I teach the 6-8th grade Sunday School class at Graceland United Methodist Church. I had the joy of meeting Nikki in the summer of 2001. My wife, Sharon, and I were involved in the tent ministry in O'Donnell Heights. Nikki was there each morning with her siblings and cousins to help us set up. She welcomed us to her neighborhood with smiles and hugs. Nikki immediately became attached to Sharon and was at her side most of the time. The day it rained, Nikki's spirit still kept us happy as she followed my wife around in a sweatshirt she borrowed from her. I know that Mr. Bennie of St. Matthews United Methodist of Turner's Station occasionally took her to his church, but we were overjoyed the times she came to our church. It was so cute when she came to my Sunday School class and was quick to tell another student to be quiet while the teacher was talking. That's the way Nikki was. My wife and I were very distressed last November when we heard that Nikki had run away. I wish that there were something I could say to comfort you at this time. All that I can do is assure you that Nikki was loved by my family and her friends in Sunday School: Kim, Kelly, Derek and JoyAnn. I believe with all my heart that she is with God now and I know that her smile will always stay in my memory.##imported-begin##Chuck Conjar##imported-end##

“ Nikki was a friend of mine and went to my school. I remember the day after the Saving Station, we walked home from school together and I invited her to Graceland United Methodist Church(my church) and she came. And she brought all her siblings and cousins. She was a nice girl and her little sister Annie was sweet too.##imported-begin##Kimberly Schuman##imported-end##
