

Nikki Taylor

July 15, 1979 - May 4, 2020

Nikki Renee Taylor, age 40, passed away and entered eternal rest on May 4, 2020. A quiet and unassuming woman, Nikki was introspective and kind and left that impression on those around her, even as she approached the end of her life. Nikki could be described as a calming soul who always tried to see the positive in a situation and would not pass thoughtless judgement on anyone. Until the end, she was an advocate for those who needed someone to speak out on their behalf.

As sweet a woman as she was, Nikki lived life on her own terms and delighted listeners with the tales of her adventures with the people from all walks of life that she met along life's way. Those she worked with will recall her as serious, diligent and trustworthy and those she shared her life with will recall her as fun-loving and an easy spirit. Those who knew her during her illness could not help but be affected by the grace with which she treated those around her. Her giving nature will be sorely missed.

Nikki, taken from us far too soon, was predeceased by her mother and father, Gayle and Robert Taylor. She is survived by her aunts who love her and Jody Callis-Schmidt for whom she cared deeply and considered a second mother

“ *On behalf of the Residents at Patapsco Health & Rehab we offer our condolences to Nikki's Family. Nikki served as the Resident Council President at the facility where she resided for the last few years.*

As Advisor to the Council working side by side with Nikki I offer my heartfelt prayers to the family as well.

GOD Bless ,

Shari Kober-Cain, Program Manager of Recreation,

“ We the March Family and Staff wish to extend our deepest and heartfelt sympathy in the passing of your loved one. Our prayers go out to you and your family in your time of loss. We know and understand that you have received many expressions of love and we will continue to lift you up in prayer. May the memories you cherish of brighter and happier days help to ease your sorrow and comfort you always.
