*I'm so sorry for all the families loss. Norm was one of the most likable guys I've met through our good happy hours group once a week. He was always a pleasure to talk to and just had the best laugh one would seek to hear. Extremely respectful and a proud parent. I know I will see him again in another place! Prayers to all the families 🙏🙏🙏*

*“ Thinking about your family and how much you loved them I pray that God will hold Your daughter's hands and give her peace and understanding during this period making sure all of your requests will be fulfilled. You are still present in her because as her father you always encouraged her to be a leader and stay strong. I pray that God will give her peace and understanding of all of the last day you were present and even when God had taken you home but your body was still present. No one but God held her hand and smiled down on her because of the love and faith she had for her father honoring all the days of your Life until the last second present here on earth. I ask that everyone will pray for Megan for all this young lady continue to prepare to finish her dad's request. Norman know you are going to be missed by many but memories will bring some smiles. Rest on my Friend.*
