

Norma Brown

September 24, 1946 - August 17, 2016

Norma Brown, daughter of Louise and Eugene Brown, was born September 24, 1946 in Baltimore, MD. She departed this life on August 17, 2016, after suffering a stroke at Envoy of Pikesville Health and Rehabilitation Center.

Norma received her education through the Baltimore City School system, graduating from Coppin State Teachers College in approximately 1965. She spent her entire teaching career at Med field Heights Elementary School, 4300 Buchanan Ave., where she enjoyed creating lesson plans to enrich the minds of her young students. She retired from teaching in June 1997.

In retirement, Norma was an extreme introvert who spent many hours alone reading, watching TV, talking to "Mom" in the kitchen, or playing "Ms. Fix-it", as she made minor repairs or improvements around the house. Whether it was painting, cleaning, or shopping, Norma was like a dynamo. She always did her very best.

She leaves behind to mourn: her brother, Eugene Brown; sisters, Regina Brown and Jean Mc Arthur; nieces, Diane and Brittany Brown and Cherese Parmely; nephews, Kevin and Darryl Brown and Russell Anthony Jr.; great-nephews, Joerell Truesdale and Russell Anthony III; great-nieces, Candice

Monroe, Sheila and Kyra Mc Arthur and Hanna Brown; great great-niece, Ny'Kiera Ludd; and a host of other relatives and friends.

Many students have been greatly influenced by Norma's devotion to her career as well as her family.

She will be greatly missed by her family and friends.

“ *Wow! I am so sad. You gave me a paper with your address when I moved after 5th grade. But I lost it. I only remembered it said 1426 or 1726 Pulaski St, I always wanted to find you to thank you. You helped shape who I am. You were like a mom to me when I really needed it. The problem student who'd tie knots in her dress stings to the chair and you made me walk down the hall to the office with my chair tied to me. You failed me in second grade. I was ADHD, couldn't even write my name. Which was awesome for me. I got to stay with you. You'd say my mom packed too much food again and let me stay with you at lunchtime. I'd stayed afterschool and you'd help me with homework and we'd talk about everything. You did that for me even after I went on to 3rd, 4th and 5th grade. I went on to become a preschool teacher and owned my own licensed childcare center because of you. I truly wish I would have gotten to thank you in person. I am 52 years old and can still hear your voice telling me I'm doing good. I remember the laughs and hugs. Your little car that you'd park out front of our classroom windows. The time the school was going to paint the walls during summer break and I helped you take down all your posters and pictures because you glued them to the wall because they kept falling down. The feeling of how great you were. I will never forget the love and comfort you showed me. I try my best to share it with others. May you rest in eternal peace. Much love your grateful student.
